

## Newsletter CMTC-OVM no.1-2018

March 2018

	<p><b>Family Day 2018: de Efteling</b></p> <p>Our global Family Day 2018 will take place on Saturday 7 July at de Efteling! Our members voted for this Dutch amusement park again. <a href="#">Read more&gt;&gt;</a></p>
	<p><b>Our activities in 2018</b></p> <p>We will organise many activities again this year and also participate in many activities of other international organisations. <a href="#">Read more&gt;&gt;</a></p>
	<p><b>Country contact persons</b></p> <p>In order to provide local support to our members in many different countries, we are creating a list of contact persons or 'patient advocates' for each country. We have already found advocates in thirteen different countries. <a href="#">Read more&gt;&gt;</a></p>
	<p><b>Overview CMTC-OVM Social Media</b></p> <p>To share knowledge and exchange experiences with each other social media can be very useful especially when talking about rare diseases like CMTC and other vascular malformations. <a href="#">Read more &gt;&gt;</a></p>
	<p><b>New privacy legislation</b></p> <p>From 25 May 2018 every European organization that deals with personal data must comply with the new 'General Data Protection Regulation' (GDPR). Our organization also has to comply to this legislation. <a href="#">Read more&gt;&gt;</a></p>
