March/April 2017

Rare Disease Day 2017

Rare Disease Day takes place on the last day of February each year. The main objective is to raise awareness amongst the general public and decision-makers about rare diseases and their impact on patients' lives. [Read more>>](#)

Genetic Alliance 2017

The Genetic Alliance organization exists 30 years in 2017. This was celebrated with a two-day Conference in Washington DC on 9 and 10 March. The theme of the Conference was 'co-creating a healthy future'. [Read more>>](#)

Familie Day 2017 the Netherlands

On 24 June 2017 we will have our Family Day at Amusement Park 'de Efteling'. A good occasion to meet other families from our association to exchange experiences and enjoy 'de Efteling'! Soon you will receive an invitation to register.

New CMTC information leaflet

We have launched a new CMTC information leaflet (version 2017). It can now be downloaded in different languages from our CMTC website. [Read more>>](#)
