Patient advocates wanted (outside the Netherlands)

We have patient advocates (PAs) in several countries. PAs from Australia, Belgium, Canada, Denmark, Germany, Greece, Japan, Kenya, Austria, Poland and the USA will attend our PA training. They will also attend our member conference on 30 October. Do you also want to become a PA from a country outside the Netherlands? Click on the button below.

VASCA magazine

In collaboration with a number of European patient organisations, we have developed a beautiful magazine. It informs patients, carers and healthcare professionals about current developments in diagnosis, treatment and research into vascular malformations. Currently, the magazine is only available as a pdf file.
