## Ronald McDonald holiday homes

If your child is ill for a long time or has a disability, it demands a lot from you and your family. Ronald McDonald Family Retreats provide a peaceful getaway from the everyday, where families can simply be together in a tranquil setting.

## News in the field of patient advocates

- Grandparents of patients can also become patient advocates; read [the story of Julia Putman](#).
- Facebook CMTC-OVM pages have been created for 15 different countries. PAs of these countries can now share information in their own language on their national Facebook page.
- The first online training for PAs will start in January 2022.
