**The CMTC-OVM Board of Directors wishes you
a Merry Christmas and a Happy 2023**

Members Conference 2022

Our annual membership conference took place on October 29, 2022. We also celebrated our 25th anniversary. If you were unable to attend or if you would like to watch the lectures again, click on the link below this article. There you will find the summaries and videos of the lectures (topics: including the most recent knowledge in the field of genetic causes and treatments of vascular malformations).

Report first PA training 2022

Thanks to funding from the Dutch government, we were able to organise our first Patient Advocate (PA) training in October 2022. Originally, this was planned to take place in the year 2020, but because of covid we had to postpone our project for two years.
