LATEST NEWS AND ACTIVITIES

Merry Christmas and a Happy 2024
The CMTC-OVM board wishes everyone
a wonderful Christmas and a healthy and prosperous 2024!

Patient Advocate training

In October 2023 we organized our second Patient Advocate training in the Netherlands prior to our membership conference. This time Patient Advocates from Canada, Germany, England, Slovakia, Japan, USA and South Africa participated in the training. They now can get started. Click on the button to read the report.

More subsidies mean even more activities!

Our subsidy has been increased for the year 2024! This means that we will organize even more activities! The first new activity is the Family Weekend in May. You can find more information in our next newsletters, on our website and via our Facebook groups/pages in the near future.

Conference visit: European Academy of Dermatology & Venereology

This year the international conference EADV (European Academy of Dermatology & Venereology) took place in Berlin from October 11 – 14. It was a large conference with more than 600 speakers from more than 50 countries and 15,800 participants. The CMTC-OVM delegation consisted of three people: Laurens Rorive, Naomi Rorive and Lex van der

Medication for blood vessel disorders

The development of medication for the treatment of blood vessel disorders is in full swing. The best known drugs now are sirolimus and alpelisib. The use of alpelisib in particular is currently permitted in the USA but not in the EU.

Sirolimus

Alpelisib
