Added value of patient organizations for patients

What is the added value of our organization for patients, families and medical professionals?

Patients

Families

Medical professionals

Eden Quine-Taylor, ambassador and filmmaker

Eden Quine-Taylor, our association ambassador, is a filmmaker and is currently in the final year (2024) of her degree in film production at Bournemouth University, UK. She is currently working on a thesis film called 'Paper Tiger.' Paper Tiger delves into the persistent stigmatization of physical differences, highlighting how human nature often leads us to make superficial judgments based on appearance.
