LATEST NEWS AND ACTIVITIES

Member Conference 2025

On Friday evening, October 24th, Saturday, October 25th, and Sunday morning, October 26th, 2025, we will be hosting our annual global member conference in the Netherlands. Our guests can get acquainted with each other during drinks on Friday evening, starting at 8:00 PM. The program includes interesting parallel sessions on a variety of topics.

Information and registration member conference

CMTC-OVM Family Day 2025

On July 5, 2025, it was time again for our annual Family Day. The great thing is that in July, Efteling is open until 10 p.m. And several families enjoyed that very much.

Experimental therapy for PIK3CA-driven vascular malformations

The American company Relay Therapeutics started clinical trials (phase 2) with the drug RLY-2608 in early 2025. It is an oral drug that is specifically designed to inhibit the mutated PI3K α protein that causes PIK3CA-driven vascular malformations.

Volunteers wanted for our organization

Our organization consists of active and motivated volunteers, and we regularly have vacancies. Would you also like to make an active contribution, have fun, and expand/deepen your knowledge and experience? Then contact us if one of the vacancies below appeals to you, or if you'd like to get involved but aren't sure in which area yet.
